LAW ESTATE WINES

87% Syrah, 13% Grenache

982 Cases Produced

Winemaker, Philipp Pfunder

"This wine exudes luxury. A wine of power and opulence, Aspire is made up of all but one block of Syrah grown on the property, with a beautiful lift from 13% Grenache. Housed for 22 months in 68% new French oak, it bestows impeccably integrated oak spice, vanilla, and clove, with concentrated primary blackberry, sweet black cherry, plum and blueberry fruit. There is tremendous complexity in this young wine showing hints of leather, graphite, cracked Szechuan pepper, with an almost villainous crimson core. Supple acidity and ample velvety-soft tannins accentuate the luxurious mouthfeel as the wine glides across the palate. The finish is long and sumptuous, with a peak in fresh acidity from Grenache, giving the power and density of this wine an effortless perception."

Jeb Dunnuck- 96 pts.

"Darker blackberry and blueberry fruits, candied violets, ground pepper, new leather, and chalky mineral notes all define this magical Syrah, which is medium to full-bodied and has a deeply layered style, utterly perfect balance, ripe tannins, and a finish that keeps you coming back to the glass. It's a borderline perfect wine in the making that needs to be tasted to be believed."

Robert Parker, Wine Advocate - 96+ pts.

"The full-bodied palate has a powerful structure of powdery tannins and focused acidity. its core of fruit is youthfully coiled but it still offers notable definition and detail, and it has a long, mineral-driven finish. It balances power and elegance and will be long lived in the cellar."

AUDACIOUS 2021

LAW ESTATE WINES

35% Grenache, 25% Cabernet Sauvignon, 22% Carignan, 18% Syrah

845 Cases Produced

Winemaker, Philipp Pfunder

"Audacious shows tremendous complexity and remarkable energy. The use of both our Cabernet clones, offers rich texture with ultra-fine-grained tannin and fresh herbal nuances. Grenache's prevalent front-of-mouth entry bursts with bright red fruit, violets and white flowers that cascade over the mid-palate, where density from Syrah and Carignan, create a full-bodied mouthfeel. Having aged 22 months in 58% new French oak, this wine's refreshing, and lengthy acidity, balance beautifully with the layered nuances of baking spices, vanilla, and woody char. Its energy and complexity are standout; providing a well painted picture of what the Law vineyard is capable of producing with a spark of inspiration from Priorat."

Jeb Dunnuck- 97 pts.

"I love its purity, and it's a darker effort, with black cherries, leafy herbs, chocolate, incense, and even hints of exotic blue fruits. These all flow over onto the palate, which is medium to full-bodied and reveals beautifully integrated acidity, fine tannins, and a great, great finish."

Robert Parker, Wine Advocate - 96+ pts.

"Blueberry candy and maraschino cherry burst from the glass, accented by tones of blood orange and Angostura bitters. The full-bodied palate derives its power from concentrated layers of fruit, yet it has a weightless structure of chalky tannins and focused acidity. It has a very long, latent finish and will benefit from several years in bottle."

BEGUILING 2021

LAW ESTATE WINES

87% Grenache, 13% Syrah

915 Cases Produced

Winemaker, Philipp Pfunder

“There is vibrancy throughout Beguiling’s palate weight, with stunning balance and freshness, through energetic acidity and remarkable fruit concentration. Arguably the most incredible version of this wine created in our history, we capture a seamlessly woven harmony of minerality, perfumed sage, garrigue, candied red fruit, cola and fresh flowers. Beguiling, not just by name but every sense of the word, spends 19 months in 45% new French oak, and just over a quarter of the final blend reared in Foudre and concrete egg, adding complexity through diversity in élevage. The loose-knit and all-encompassing tannins from Grenache, engulf the entire palate with bright vibrance, while the riper and opulently textured tannins from Syrah add to the body of the wine. Certainly, enticing in its approachability, while promising considerable longevity.”

Jeb Dunnuck- 96 pts.

“Made from 87% Grenache and 13% Syrah, the 2021 Beguiling is another gorgeous wine. Black cherries, redcurrants, ground pepper, and darker, mineral, bouquet garni notes all emerge on the nose, and it hits the palate with medium to full body, a pure, layered profile, plenty of mid-palate depth, and a great finish. It’s another absolutely captivating red from this estate that will evolve for a decade.”

BEYOND CATEGORY 2021

LAW ESTATE WINES

50% Tempranillo, 31% Grenache, 14% Graciano, 5% Carignan

438 Cases Produced

Winemaker, Philipp Pfunder

"Beyond Category expresses a rich, velvety texture, bursting with black plums, a hint of chocolate, an array of savory umami flavors, and a touch of sage. This full-bodied wine carries high levels of finely powdered, "cheeky" tannins, along with a framework of beautiful acidity that Graciano contributes to the blend. Fermented at 60% whole cluster the Graciano also conveys a leafy tea, cinnamon, blackberry, and underbrush tone, accented by ripe red perfumed fruit from the Grenache and the impeccable balance and complexity of Carignan. A refined and evolved character has developed as a result of having seen 27 months in 60% new French oak."

Jeb Dunnuck- 95+ pts.

"The 2021 Beyond Category is a blend of 50% Tempranillo, 31% Grenache, 14% Graciano, and the rest Carignan, aged in 60% new French oak. Black cherries, redcurrants, sandalwood, baking chocolate, and some scrub brush notes all emerge from the glass, and it's a mineral bomb on the palate, with medium to full-bodied richness, ripe, building tannins, and a great finish."

FIRST TRACKS 2021

LAW ESTATE WINES

42% Petit Verdot, 36% Cabernet Sauvignon, 22% Syrah

439 Cases Produced

Winemaker, Philipp Pfunder

"First Tracks has undoubtedly become an emblem of power in motion. The 2021 vintage provided the perfect climate to achieve physiological ripeness and flavor development, resulting in a concentrated, dark and brooding expression of Petit Verdot. Blackberry, plum, African violet, and orange rind are complemented by a perfect touch of new French oak, which imparts notes of clove, vanilla, and a hint of char. Cabernet contributes an undertone of minty eucalyptus, while the palate experiences a gradual rise of ultra-fine, framing tannins that complement the more powerful tannins of Petit Verdot. Syrah delivers a full-bodied mid-palate, and perfect balance, accompanied by spiced intensity. The true magic of this wine--and the key to its tremendous longevity-- is the enthralling vivacity bestowed upon it by a perfectly harmonious yet sturdy backbone of acidity."

Jeb Dunnuck- 98 pts.

"The 2021 First Tracks is made from 42% Petit Verdot, 36% Cabernet Sauvignon, and the rest Syrah that's still resting in 78% new French oak. Gorgeous blue fruits, spring flowers, plums, spicy oak, blood orange, and complex green herbs all define this beauty, and it's medium to full-bodied, with a concentrated, deep, layered mouthfeel, background spicy oak, and a great finish."

SAGACIOUS 2021

LAW ESTATE WINES

35% Grenache, 34% Mourvèdre, 31% Syrah

1,110 Cases Produced

Winemaker, Philipp Pfunder

“There is no mystery as to why Sagacious is so complex. Finding balance in the most expressive qualities from this classic Rhône trio, sourced from nearly all the Grenache, Mourvèdre, and Syrah blocks on the property. Sagacious saw 19 months in French oak, using large format puncheons and a Foudre, making the 38% new oak almost undetectable. This provides an unadulterated expression of the property. The markedly different tannin structure from each variety is brilliantly interwoven and integrated, providing a rich and full-bodied perception from entry, through to a long and lingering finish. Mourvèdre certainly makes its darker presence known with its blackberry, and gamey nature. Syrah’s presence is seen on the mid-palate, dense, with wild blue fruit, while Grenache adds bright red floral, and lifting high toned aromatics. Not leaving anything for the wanting, Sagacious is like a party that just won’t stop.”

Robert Parker, Wine Advocate - 96+ pts.

“It unfurls slowly on the nose from red and black currant to wafts of rooibos tea, Angostura bitters, coffee beans and cocoa powder. The medium-bodied palate has a frame of chalky tannins and vibrant acidity to support its generous fruit, and it has a long finish with complex accents of flowers and spice.”

RESERVE CABERNET 2021

LAW ESTATE WINES

100% Cabernet Sauvignon

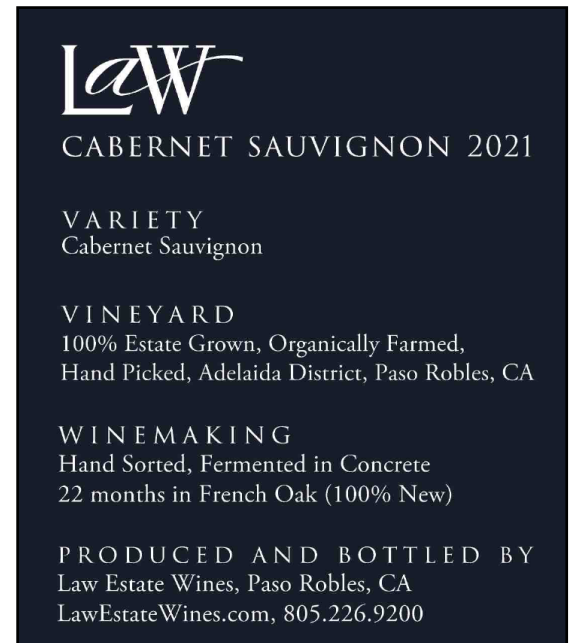

100 Cases Produced

Winemaker, Philipp Pfunder

“Produced only in the most exceptional vintages for Cabernet on the property, the 2021 Reserve Cabernet is completely impenetrable to light, deep, dark, and concentrated in flavor with generous varietal aromatic intensity. A hint of herbaceous pyrazine harmoniously unifies with black and red currants, along with a touch of cassis. Cabernet’s affinity to oak is showcased beautifully; the 100% new French oak is exceptionally well-integrated, providing notes of clove, aniseed, baking spice and a hint of vanilla. While the ultra-fine-grained tannins are prominent along the gumline, they frame the beautiful fruit and complexity of flavor well. You will taste and ‘feel’ this wine as it leaves a remarkable impression unfolding waves of complexity and intrigue throughout its journey across the palate. Although dangerously appealing right now, patience will reveal an undoubtedly brilliant evolution.”

Robert Parker- 98+ pts.

“...its new oak is already impressively well integrated. The palate is just as stunning, combining power and elegance. Its concentrated, optimally ripe fruit is supported by pixelated tannins and a firm spine of focused acidity, and it has an epically long finish. Complex and polished, this gorgeous Cabernet calls you back again and again for another sip, and it will be long lived in the cellar.”

INTREPID 2021

LAW ESTATE WINES

100% Syrah

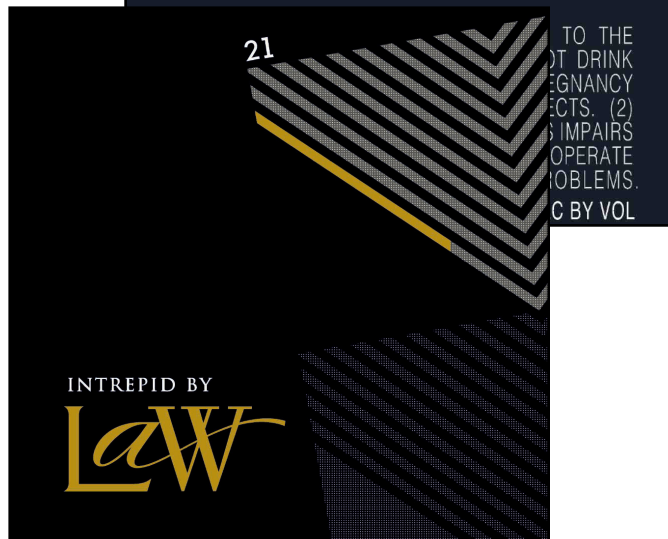

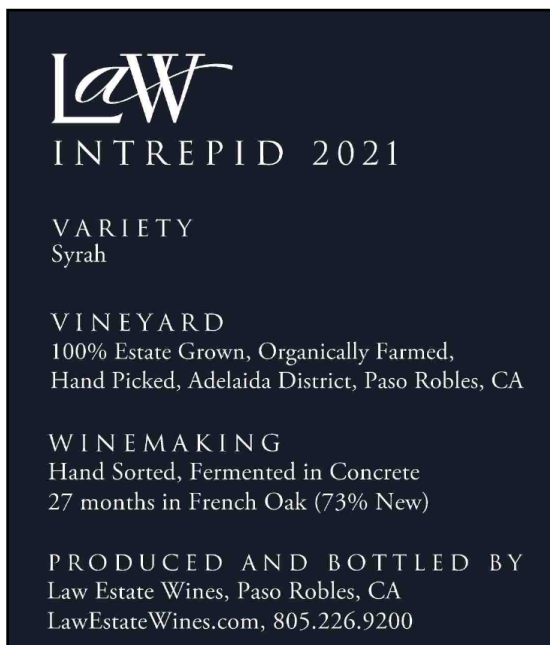

363 Cases Produced

Winemaker, Philipp Pfunder

"Intrepid embodies everything one desires Syrah to be. The 2021 vintage has very likely produced the best expression of the variety ever seen from the estate. Its jet-black, purple-hued color alludes to the impressive concentration of blueberry, blackberry, plum, earth, and black pepper spice aromas. The 73% new French oak, with extended élevage of 27 months, provides cardamom, clove, aniseed, charred wood nuances, and a hint of vanilla complexity. This is seamlessly integrated into the body and flavors of the wine. With ample yet refined tannins, this opulent and full-bodied expression of Syrah is seamless and offers absolute pleasure in its youth with surprising approachability. Fantastic balance of acidity adds so much freshness and tension alongside the formidable structure of this wine. It creates an indestructible perception that even the most patient collectors can test."

Jeb Dunnuck- 100 pts.

"The 2021 Intrepid will see an extended élevage of 27 months in barrel and is 100% Syrah, mostly from two blocks in the estate vineyard. It's a bigger wine than the Aspire and has a thrilling array of red, black, and blue fruits intermixed with baking spices, new leather, and chocolate. With full-bodied richness, a deep, layered, multi-dimensional mouthfeel, and ripe tannins, this layered, seductive, hedonistic, yet refined beauty is going to flirt with perfection."

THE NINES 2021

LAW ESTATE WINES

100% Grenache

383 Cases Produced

Winemaker, Philipp Pfunder

"The Nines has become the most intriguing expression of Grenache from our estate, epitomizing the variety with its delicate opulence and serious concentration. Crafted thoughtfully each year, there is an incredible drive to the wine. It is alive and focused, flaunting a beautiful acidity that carries an obvious energy throughout. Raspberry, cranberry, wild strawberry, spice, dried herbs, dark red fruit and violet jump out of the glass, preparing you for what comes next. The medium-plus tannins are puckering at the front of the palate but lead into a velvety embrace. Despite its medium-plus to full body and considerable concentration of flavors, The Nines feels light on its feet as it glides across the palate with a noticeable resurgence of flavor on an impossibly long and complex finish. Encore!"

Jeb Dunnuck- 98 pts.

"The 2021 The Nines sports a deep ruby, semi-opaque hue as well as a great nose of kirsch liqueur, wild strawberry, ground pepper, and spring flowers, with an incredible sense of minerality. Aged in 64% new oak, this gorgeous Grenache is medium to full-bodied and has a layered, seamless mouthfeel, plenty of tannins, and a gorgeous finish."

Winemaker, Philipp Pfunder

"The 2021 Prima walks a tightrope of power and finesse, with inconceivable complexity in flavors and aromas that leave you speechless. A blend of four different clones of Mourvèdre on the property, it paints a picture that represents the variety flawlessly. It features brambly primary red and black fruit, along with beautiful crushed stone minerality, intertwined with leather, cured meat, and pepper-like spice. Mastering the structural balancing act, Prima's tannins are grippy yet assertive and in perfect harmony with its full body and great mouthwatering acidity. The 2021 Prima is absolutely teeming with energy and concentration and will age gracefully if allowed to do so; it is undeniably delicious upon release!"

Robert Parker- 98+ pts.

"... a stunning varietal Mourvèdre that could reach a "perfect" apex as it develops in bottle. (...) The palate is pure, detailed and weightless despite its high concentration. Its blue, mineral-laced fruit is structured by pixelated tannins and a focused spine of acidity, and it has a very long, latent finish."

Winemaker, Philipp Pfunder

“The cool nature of 2023’s vintage set the stage for the most captivating version of our beloved SÖPH. In creating this Rhone-inspired white blend, every block and clone of the estate’s Roussanne, Marsanne, Clairette Blanche, and Grenache Blanc were meticulously blended to craft this exceptional white wine—it’s perfection, embodying brilliance and elegance from the start. Harvesting the Marsanne in two picks, 10 days apart, allowed this varietal to feature varied nuances and layers of ripeness, which heavily influenced the complexity and brightness of SÖPH’s overall structure. Its golden, straw-yellow color welcomes you with a tremendously savory and bright nose, bursting with the aromas of yellow apple, pear, crisp white peach, lemon, nectarine, and mangosteen. A well-integrated touch of almond, vanilla, and spice smoothly reveals this wine’s time in French oak (49% new) and concrete egg, adding to the luscious, full-bodied mid-palate. The wine boasts great density with a pop of freshness that dances across the palate, precise and focused. This complete and electrifying blend is a testament to the remarkable craftsmanship and dedication that define SÖPH.”
